RIYADH · KINGDOM OF SAUDI ARABIA

IN COLLABORATION WITH OUR UK OFFICE

International design, delivered in the Kingdom

ORASCAPE works in collaboration with its own design office in the United Kingdom on high-end projects, from private villas and resorts to major developments and masterplans.

Our clients get British-standard design, with strategic vision and refined detailing, and ORASCAPE builds and cares for the landscape on the ground in Saudi Arabia.

I Understand

Listening to the client, the stakeholders and the place to learn what matters.

II Design

Turning that understanding into thoughtful, purposeful landscape design.

III Deliver

Clear, precise and buildable solutions that bring the vision to life.

DESIGN SERVICES

From vision to construction-ready design

OUR PHILOSOPHY

Every exceptional address begins outside.

We compose gardens, water, stone and light into private outdoor worlds, crafted with discretion and cared for long after the last stone is laid.

THE HOUSE OF ORASCAPE

Landscape, made personal

ORASCAPE is a Saudi landscape company creating integrated outdoor environments, from first concept to lifelong care.

For owners who expect more than a garden, we bring design, craftsmanship and maintenance under one roof, so every detail of the outdoor experience is considered, coordinated and preserved.

One

team from concept to lifelong care

7

integrated landscape disciplines

certified quality, safety & environment

DESIGNED FOR

Landscapes for distinguished settings

Palaces & Private Estates

Grand arrival courts, formal gardens and private retreats designed around family life and hospitality.

Luxury Residences

Refined communal landscapes and private gardens that elevate every residence.

Hotels & Resorts

Arrival experiences, courtyards and terraces that reflect a five-star brand.

Destinations

Immersive themed landscapes, water and lighting for landmark visitor experiences.

A single, seamless journey

I

Discovery

Site survey, client brief and budgeting

II

Concept

Narrative, character and master concept

III

Detailed design and IFC packages

IV

Craft

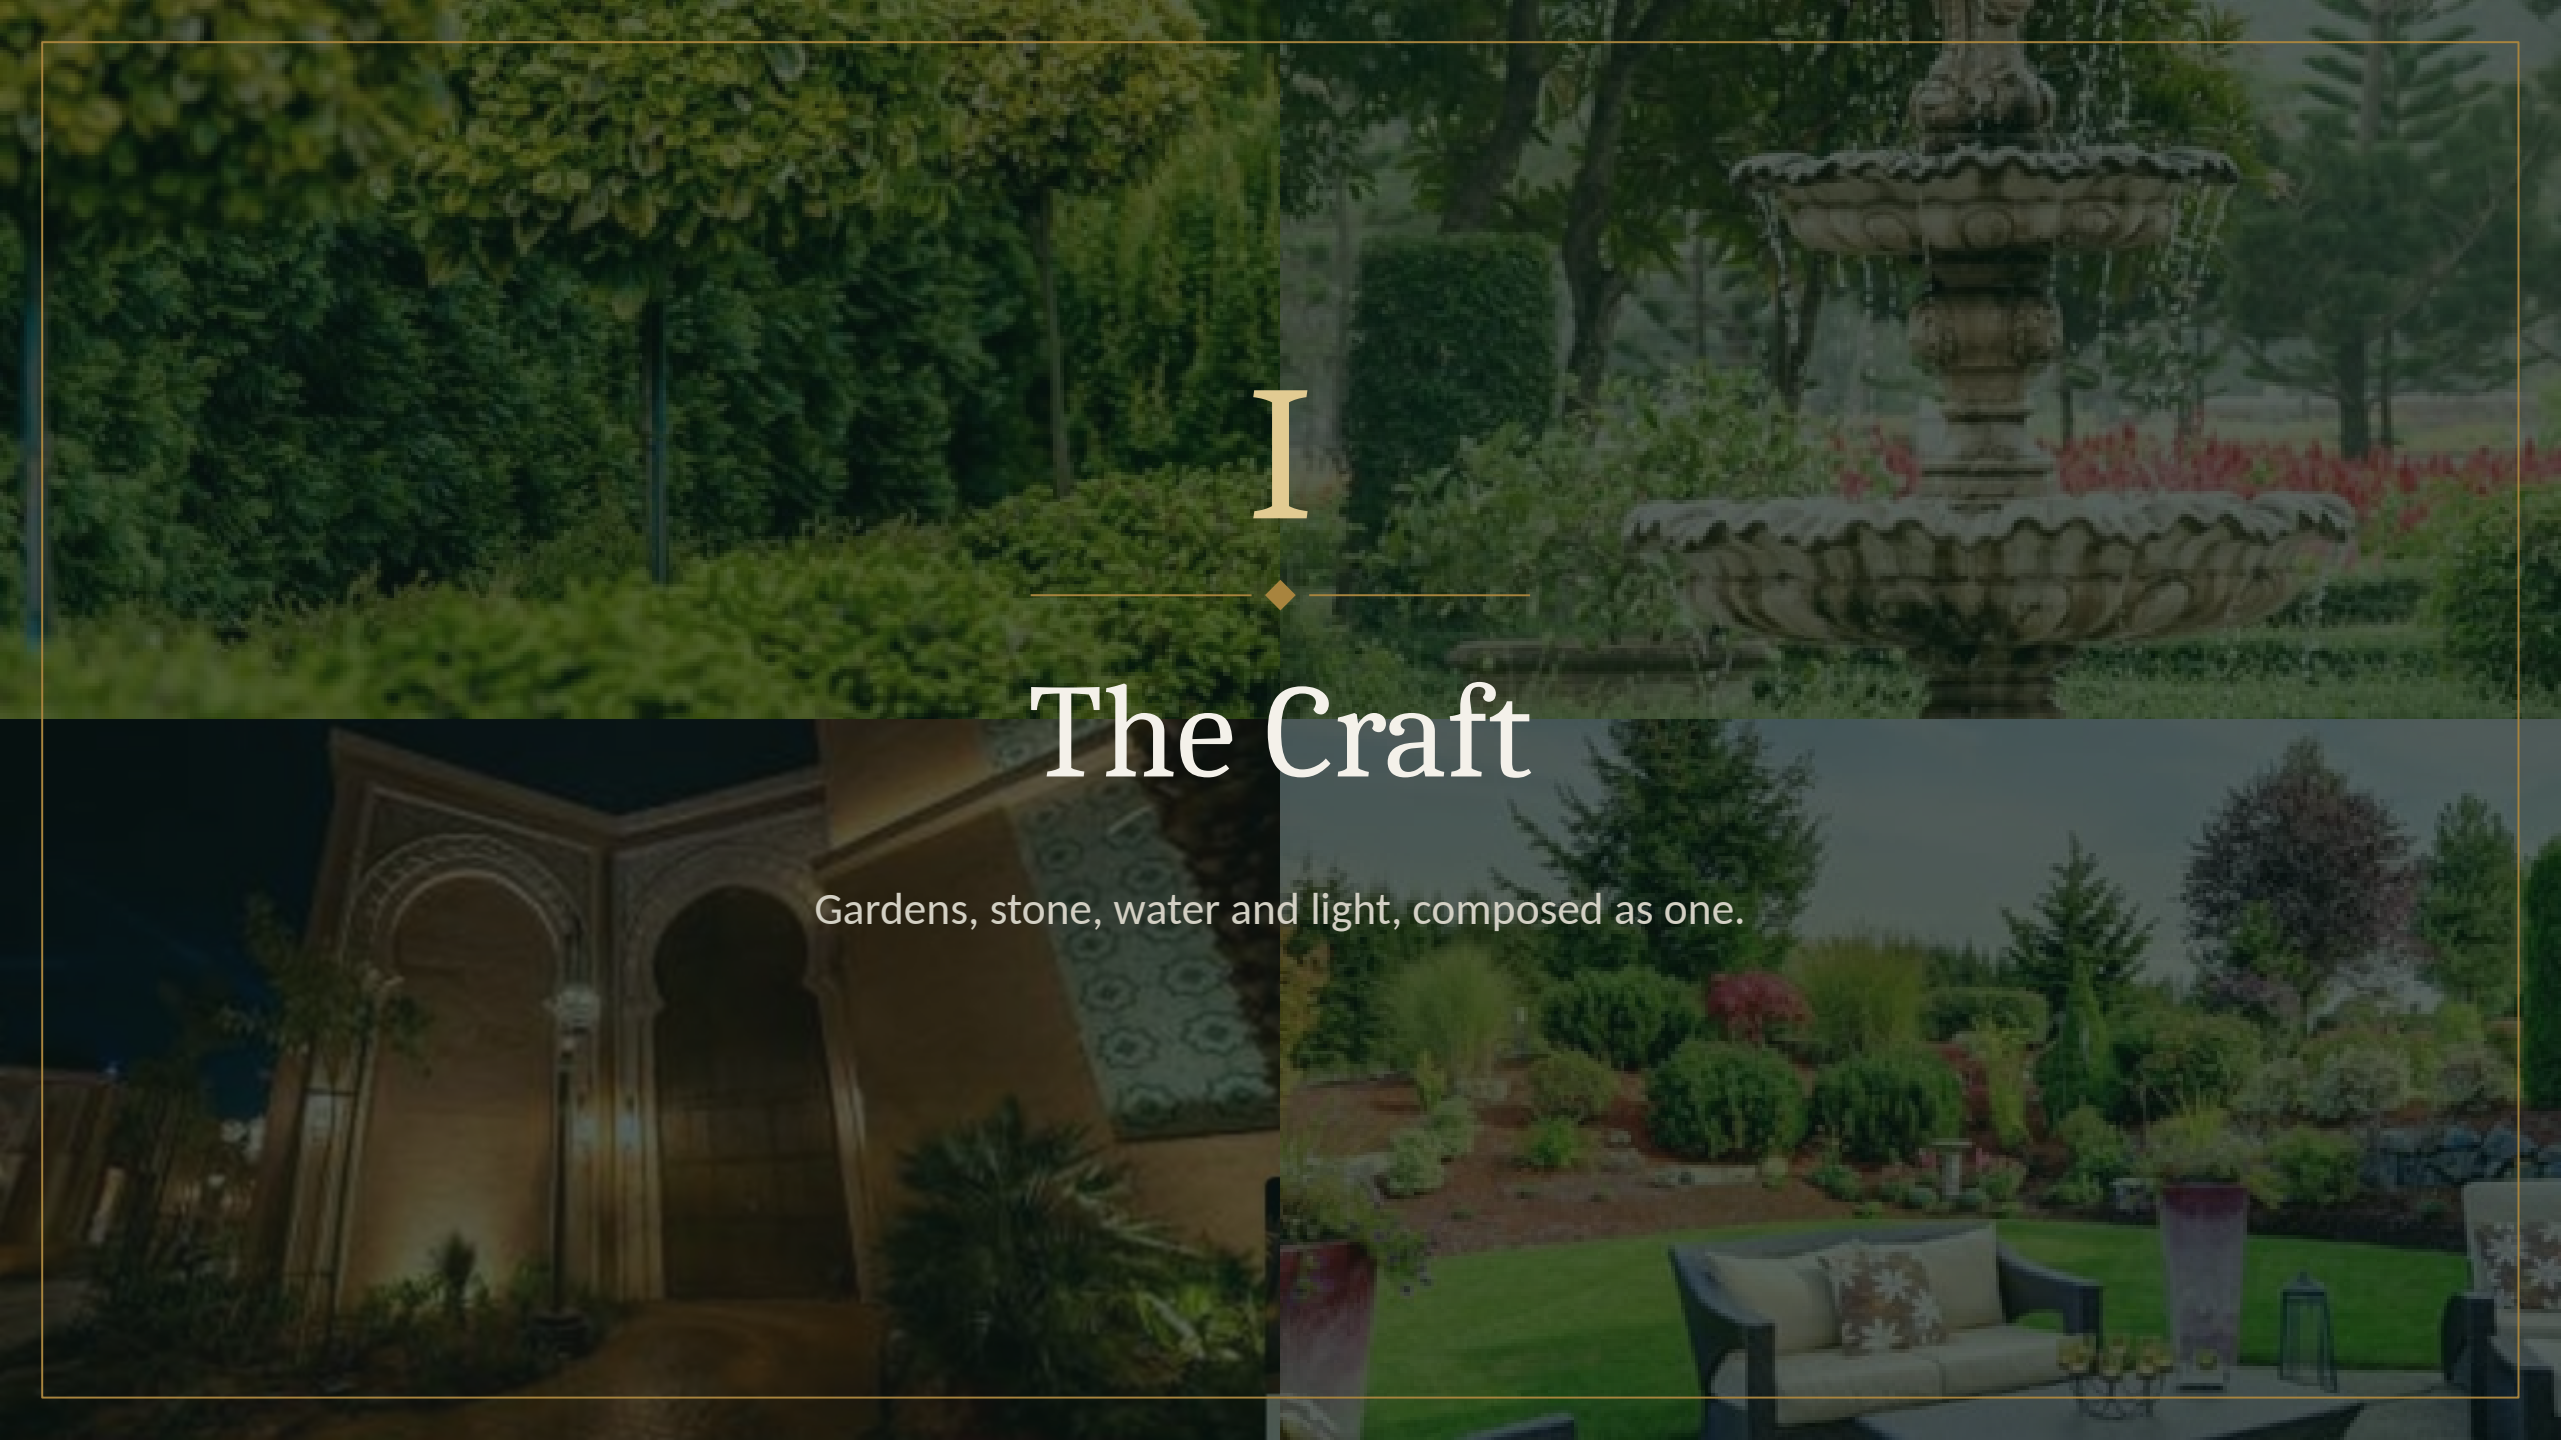

Supply, installation and turnkey delivery

V

Care

Operations and year-round maintenance

One accountable partner from the first conversation to the hundredth season.

I

The Craft

Gardens, stone, water and light, composed as one.

SIGNATURE ELEMENTS

Every element, in one hand

Gardens & Planting

Trees, palms, shrubs and lawns

Stone & Hardscape

Walkways, courts, decks and roads

Water Features

Fountains and still or moving water

Landscape Lighting

Up lights, bollards and poles

Outdoor Living

Furniture, shades, art and wayfinding

Smart Irrigation

Pump rooms, main and drip lines

ATMOSPHERE

Water & Light

Water brings sound and movement; light brings the garden to life after dark. We design and install fountains and water features in classic or contemporary styles, and lighting that sculpts architecture, guides the way and creates a memorable night-time atmosphere.

- **Fountains**
- **Up Lights**
- **Poles & Panels**
- **Water Features**
- **Light Bollards**
- **Substations**

NATURE

Living Gardens

A rich, carefully chosen palette of trees, palms, shrubs and lawns, planned to suit the climate and the setting, and kept lush by precise, water-efficient irrigation designed for each site.

- **Specimen Trees**
- **Palms**
- **Shrubs & Ground Covers**
- **Lawns**
- **Pump Rooms**
- **Drip & Lateral Lines**

CRAFTSMANSHIP

Stone & Outdoor Living

Durable hardscape built with quality materials and meticulous craftsmanship, paired with furniture, shades, sculpture and wayfinding chosen to make every outdoor room comfortable, beautiful and lasting.

- **Walkways & Courts**
- **Sitting Areas**
- **Art Installations**
- **Wooden Decks**
- **Benches & Furniture**
- **Fences & Gates**

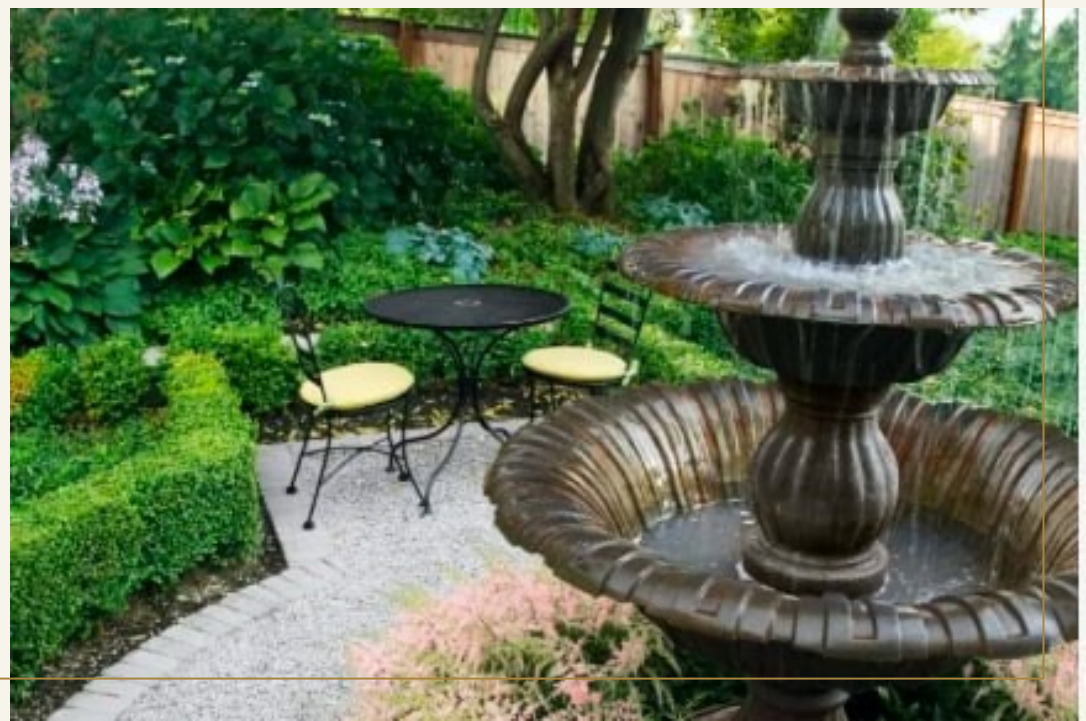

CONCIERGE MAINTENANCE

Lifetime Care

A landscape is never finished. Our maintenance programmes preserve its beauty and health in every season, tailored to the property and delivered with consistency and discretion.

- **Pruning & Shaping**
- **Irrigation Checks**
- **Seasonal Planting**
- **Fertilization**
- **Pest & Disease Control**
- **Soil Improvement**

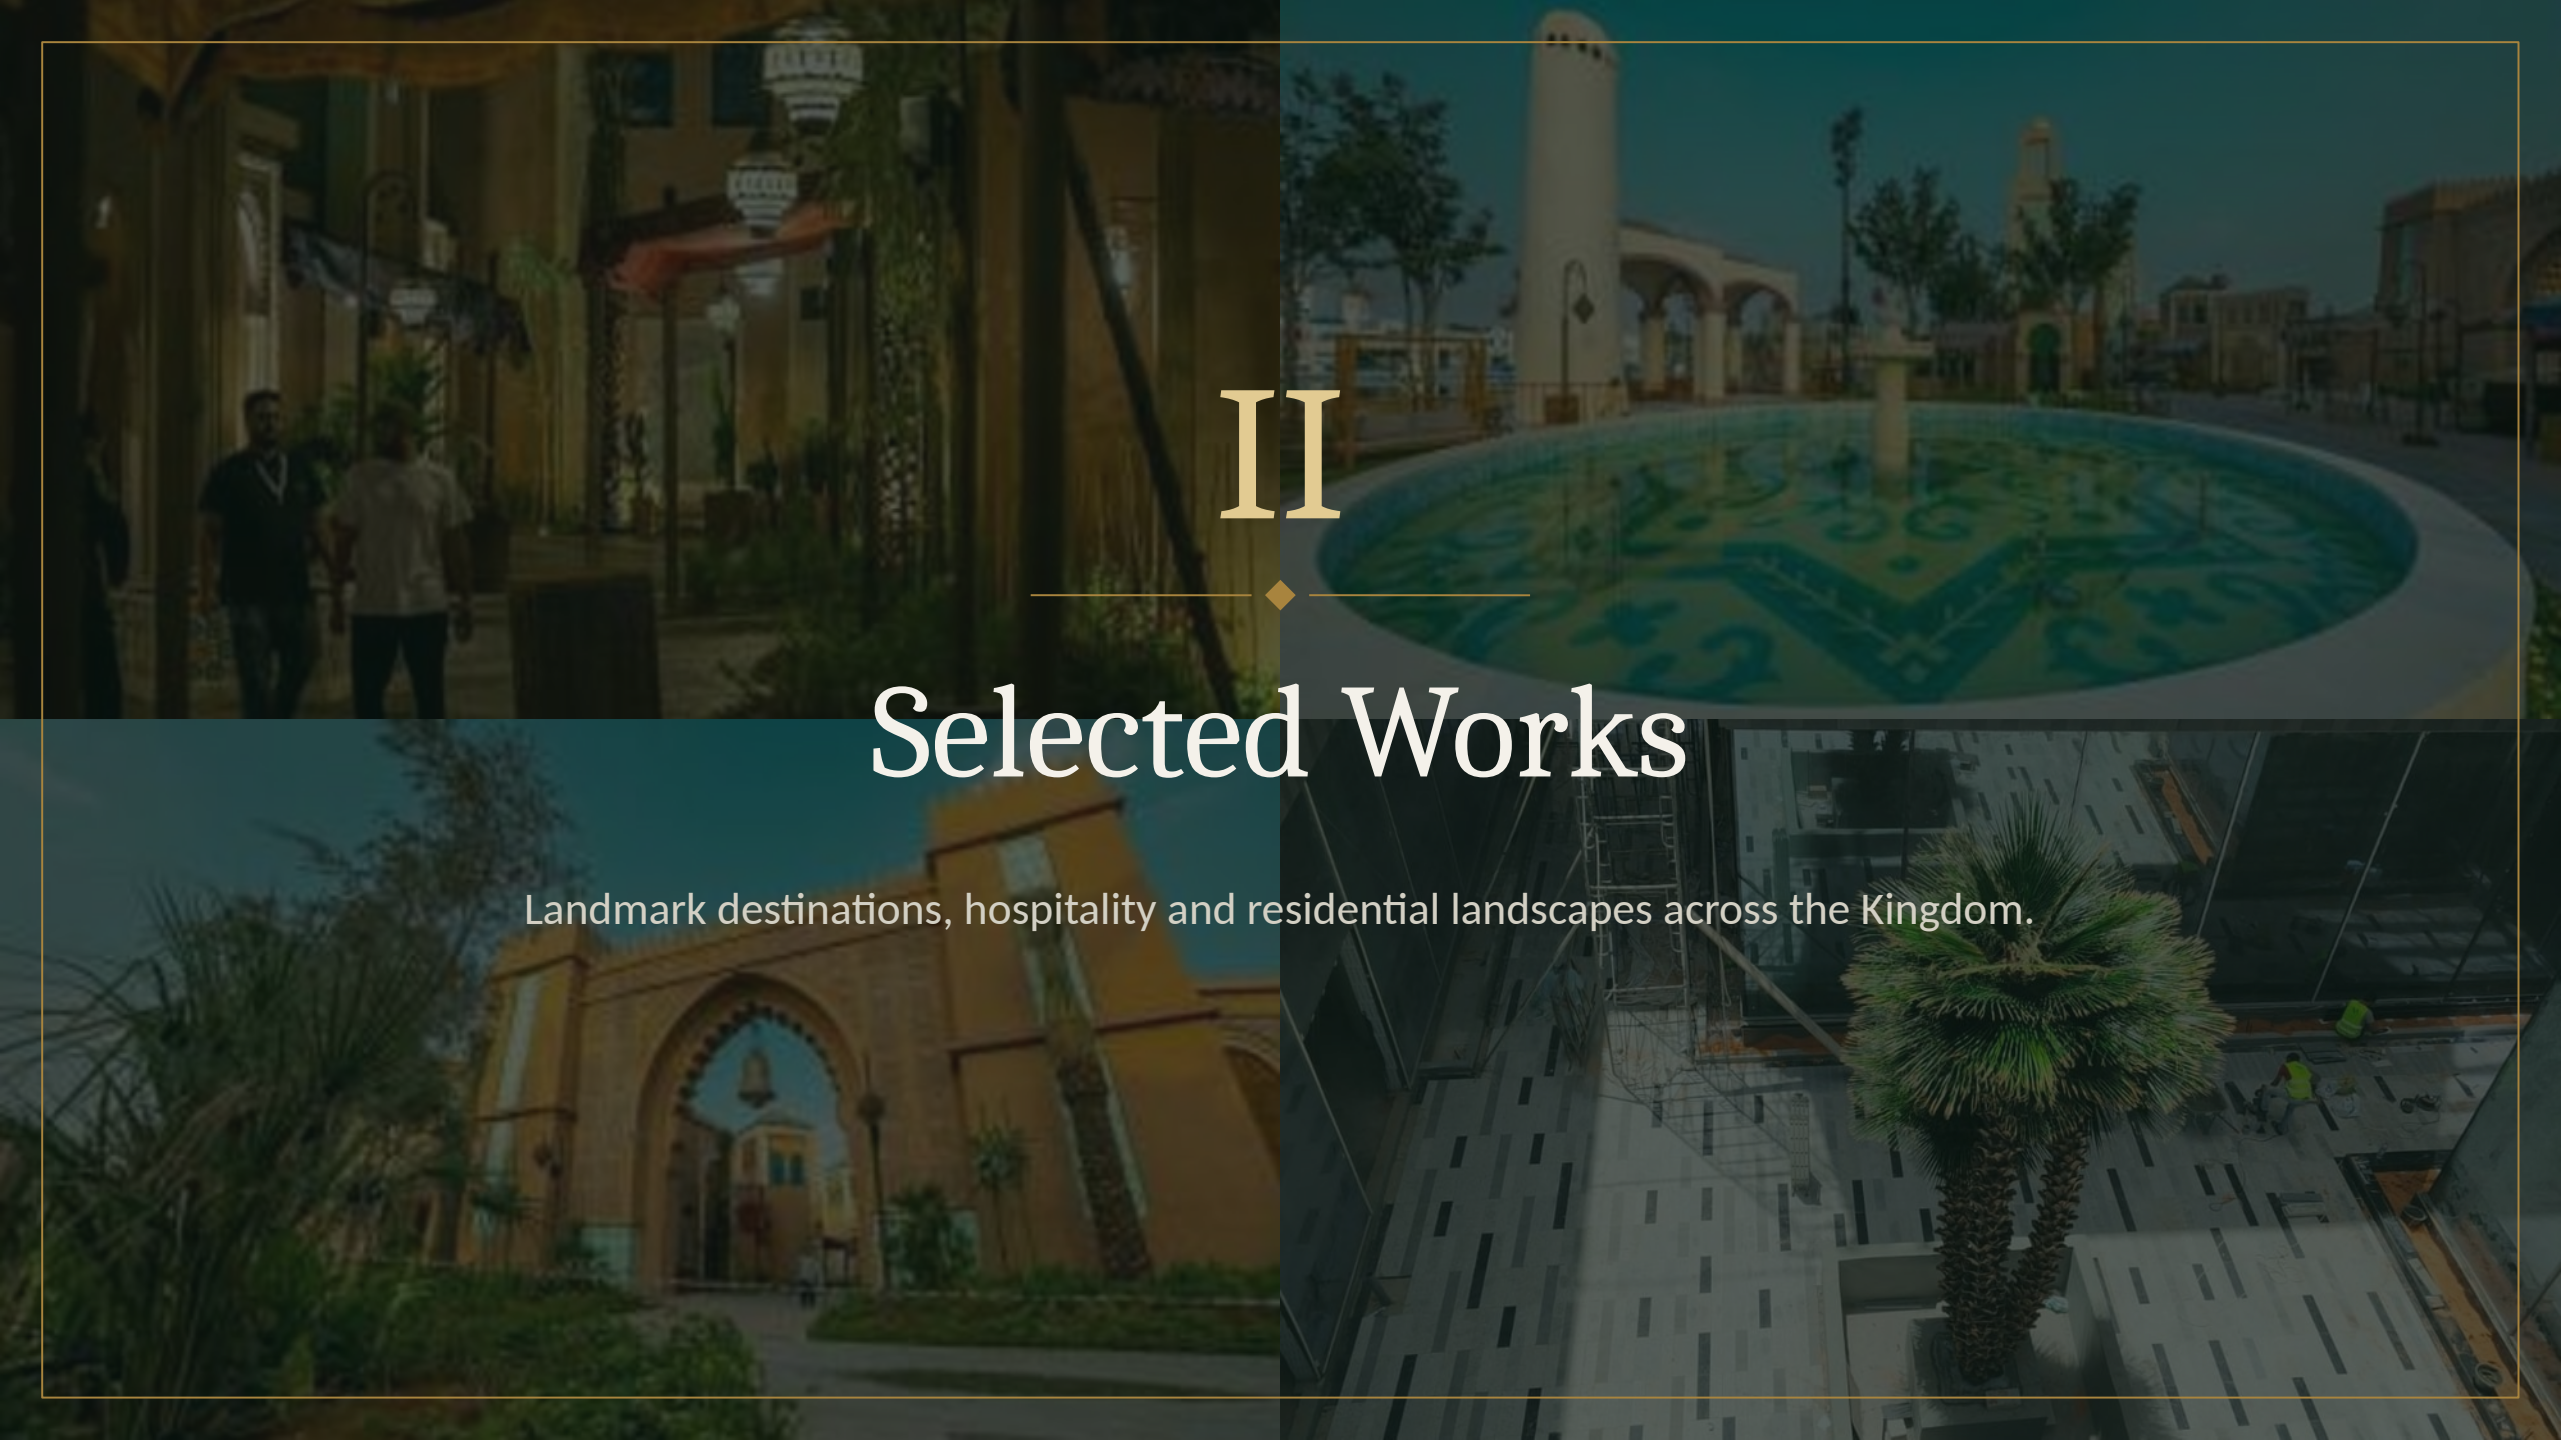

UNCOMPROMISING STANDARDS

Quality you can see and feel

Every stage is governed by quality assurance and control, so the finished landscape matches approved drawings, specifications and the client's vision, and is delivered safely and on time.

- **Material inspection & approval**
- **Compliance with approved drawings**
- **Workmanship inspection**
- **Planning, scheduling & reporting**
- **Quality, safety & risk management**
- **Final inspection & handover**
